

Introducing CAA MyPace[™] - Insurance that gives you more control!

CAA Insurance is proud to be first in Canada to offer an insurance payment program for lowmileage drivers. If you drive less than 9,000 kilometres per year, CAA MyPace offers a new way to pay for and manage your insurance premiums.

If you drive fewer than 9,000 kilometres per year, this new payment program allows you to buy auto insurance only for the distance you need. Nothing more.

Take control.

You decide when you need to buy more. Use it as quickly or as slowly as you choose.

Reward yourself.

You have a drive-less lifestyle. Cost savings should be one of the rewards.

Save money.

You can reduce your insurance cost without changing your driving habits.

How it works.

CAA MyPace is a payment plan that provides the best way to control and manage your auto insurance premiums.

There are four easy steps to use CAA MyPace:

- 1. Enroll in CAA MyPace and pay your base rate plus your first 1,000 kilometres.*
- 2. Install the CAA MyPace device in your car.
- 3. **Download** the CAA MyPace App to your smartphone.
- 4. Drive. We'll automatically reload your next 1,000 kilometres for you.

It is that easy. And you're always backed up by CAA's reputation for great customer service and don't forget **Canadian Chamber Members save 5%** on auto insurance and up 20% if a CAA Member*.
