TOP 10 REASONS TO JOIN

- 1 **Commitment**
The Greater Niagara Chamber of Commerce is the largest business organization in Niagara committed to supporting our members with high quality services, products and working hard to focus on the prosperity of the Niagara Region.
- 2 **Networking**
Advance your interests by becoming connected to Niagara's foremost business network. Join over 1450 businesses and organizations working together to improve the business and economic prosperity of the region. Meet business owners and decision-makers and develop valuable new business relationships.
- 3 **Advocacy**
The Chamber is the only organization in Niagara that represents your business interests at all levels of government from municipal to federal. With full-time policy staff, the Chamber provides timely input into government policy development ensuring that the collective voice of business is well represented.
- 4 **Insurance Products**
Leverage the buying power of more than 60,000 businesses in Canada by taking advantage of the Chamber Group Insurance Program. Chamber members have access to highly rated health, dental and employee benefit plans that are affordable and locally serviced.
- 5 **Cost-saving Programs**
Membership gives your company access to affinity programs designed to save you money. Offering ways to lower your Point of Sale costs or reduce your fuel expenses are just some of the programs we offer that put money back in your pocket.
- 6 **Promotion**
Chamber membership offers you many cost effective opportunities to advertise, sponsor and promote your business. Reach other business owners, decision-makers and employees across Niagara in Chamber publications and events.
- 7 **Professional Development**
The Chamber offers many opportunities to develop professional skills and business acumen. Networking events, professional speakers and seminars provide the latest know-how to help you and your staff grow.
- 8 **Business Councils/Committees**
Members determine the goals and objectives of the Chamber by participating on Business Councils or Committees that support their business and professional goals. These councils enable members to take active roles in the Chamber and in the business community.
- 9 **Discounts**
Members can take advantage of many cost-saving promotional opportunities and discounts offered by other members. Using the Chamber's popular Member to Member discounts offered by local member businesses you can take advantage of exclusive discounted merchandise and services provided to Chamber members and their employees.
- 10 **Referrals**
Your involvement in Chamber membership demonstrates to other businesses and to potential customers that you are committed to supporting the local economy. Members establish useful relationships with one another through lead exchanges and referrals facilitated by Chamber staff and other members.
