

Small Biz SAFETY PODCAST

with *Kirsi & Jack*

Looking for simple health and safety guidance?

Small Biz Safety is here to help. Each episode takes a look at current issues and health and safety news that affects the small business community.

You'll come away with helpful tips and advice you can immediately put into practice.

Whether it's about what breaking news will mean to your business or the impact new legislation will have, our experts will walk you through it. You'll learn simple steps you can take to stay in compliance and make your workplace safer.

Join our expert hosts and special guests every month.

HOSTS

KIRSI HENRY, WSPS

For 20 years, Kirsi has been making health and safety more practical and actionable for Ontario workplaces through her work at WSPS. Leveraging her experience as a Canadian Registered Safety Professional (CRSP) with a Masters in Adult Education, Kirsi's passion is to help small businesses embrace a culture of prevention.

JACK MINACS, WSPS

Jack has been a part of the WSPS team and its predecessor Ontario Service Safety Alliance since 1998. Experienced in serving the health and safety needs of businesses both large and small, he specializes in the retail and restaurant sectors. Jack holds a Master's of Science degree in Occupational Health and is a Canadian Registered Safety Professional (CRSP).
