

prevent COVID AT *work*

Pandemic Information at your Fingertips

WSPS COVID-19 App Provides

- Quick access to COVID-19 safety practices
- Search by topic or content type (checklists, videos, articles)
- Easily shareable content
- Notifications when new safety information becomes available

Everyone Should Feel Safe at Work

If you work, the WSPS APP is for you! Understand what your workplace should be doing to protect you during COVID-19, and know your rights and responsibilities under the Occupational Health and Safety Act.

Download from the App Store
or Google Play Today!
